In the name of Allah the Gracious the Merciful  
Peace and Allah's mercy and blessings be on you

In the name of Allah the Gracious the Merciful  
Peace and Allah's mercy and blessings be on you

Now then .....My brother in Allah

At the beginning of the talk O Lord bless our master Muhammad Allah's blessing and peace be upon Him the Seal of the Prophets and Master of the Messengers peace be on them all  
In the beginning may Allah reward you with good if your intention is as in the writing then by Allah the Knower of the unseen to whom be ascribed all perfection and majesty He is my witness in these words there is none other than Him [UI] the One and Only the Almighty the Paradise the Great the Strong the All-Seeing and the Might and He is the Living who does not die

Answering your first question : The conclusive evidence from the Holy Qur'an that you want is !Surat al-Ikhlās

What I comprehended from the Qur'an which is the miracle of the beloved Muhammad Allah's blessing and peace be upon Him

In the name of Allah the Gracious the Merciful

"(1) Say: He is Allah, is One. (2) Allah is He on Whom all depend. (3) He begets not, nor is He begotten. And none is like Him."

Allah Almighty has spoken the truth

I am sorry my brother because I did not place the diacritics because I truly am writing from a non-Arabized keyboard and I am not good in the diacritics I am able to take out the Surah from the Google if you wanted but I prefer to write it with my hand from my mind so that you are assured

And I testify that there is [UI] no god but Allah Muhammad is Allah's Messenger

Answering your second question

And that is I do not kill not only the Muslims but also and the peaceful soul which I understand [UI] the women the children and up in age as our beloved and Prophet Muhammad used to do in the many battles

Of course for those who did not participate in killing my brothers of the Muslims however if they had a hand in that so I truly by Allah I will certainly kill them and I will certainly cut their hands

all the way to the necks

So by Allah the lands have been watered by my [sic] bloods my brothers the Muslims in Palestine and Iraq and Afghanistan and in the Levant and in Sudan and in Somalia and Yemen the beloved and Egypt and Jordan all regions of the Earth by Allah truly the jihad is a duty on every Muslim by Allah my eye tears every day for what [UI] polytheism unbelief dancing wine women adultery as the Beloved Allah's blessing and peace be upon Him told us that it is the end of time the emergence of the imposter multiplicity of adultery even on the street the singing the dancing killing sons of the Muslims only because they declare there is only one Allah the emergence of Gog and Magog the beasts are all coming

And but who is the winner none but that who fears Allah and the Messenger Allah's blessing and peace be upon Him and those are a minority but Allah will make them victorious as He made victorious those before them such as my beloved and my Sheikh the Lion of the Islam and the Muslims Osama may Allah hold his head up high and prolong in life [sic] so he already possessed the world and the money and the children the most precious thing in this vanishing world for the sake of there is no god but Allah Muhammad is Allah's Messenger

Does not he deserve a paradise in its entirety

If I a human thus I say this then with what will the Generous the Creator the Almighty honor him he and who performed jihad with him for His sake and the sake of our Prophet then will they curse our Prophet they curse our Prophet so where are our faces from Him the Day of the Resurrection He is our intercessor by Allah I truly [UI] for what is in my heart now as I truly hate the unbelief and I already fell into it several times Satan seduced me I disobeyed Allah and there is no perfect human being and but Allah is the Forgiving the Gracious thus works are truly by intentions and who amends Allah be He Exalted will amend him and who does not amend then my Lord will give him for He is the patient and He does not neglect so Hell and evil refuge are for the Apostates and the Hypocrites and the Jews and the Christians and all who opposed the Muslims

My brother in Allah this is a little of what is in my heart and soul but the important point is not killing the Muslims no by Allah Allah willing may Allah not permit that I kill an innocent soul [UI] from the seven grave sins for they truly are Muslims and I am Muslim and they are my brothers even and Allah is the Knower of the hearts

In the name of Allah the Gracious the Merciful

"... and do not kill the soul which Allah has forbidden except for the requirements of justice ..."

Allah Almighty has spoken the truth

As for the Sunna and the Hadith so I truly believe in them and I truly am a Muslim how then would not I know this then I truly would be from the ignorant ones may Allah not permit and truly my second proof after the Holy Qur'an is the Sunna and the true Hadith

So already Allah Almighty said

"We have, without doubt, sent down the Message; and We will assuredly guard it." (Allah Almighty has spoken the truth)"

Therefore I ask [UI] from you my brother to know my intention is truthful and my Islam is

genuine and my jihad from and but I confess before Allah that I truly [UI] only in my sincerity and my love for Allah is pure the soul and Allah willing that I truly be of the repentant ones I do not want you my brother to believe that I am a person knowledgeable in the religion I am truly just a person who loves Allah and His Messenger Allah's blessing and peace be upon Him I am fervid on the honors of the religion and the Muslims so I truly am not of those who ate the meats of the pig may Allah not permit

I truly love the jihad and the martyrdom for His sake therefore how would I not love to be with Allah's Messenger Allah's blessing and peace be upon Him in His paradise among [UI] and how would not I love to be with my brothers in the religion I fight hand in hand with them I eat from their food and I drink from their drink and I wake up to there no god but Allah Muhammad is Allah's Messenger the people are asleep and I am in on [sic] the dawn prayer I pray with my brothers the Mujahidin

And Allah willing I cook [UI] for them appetizing food from whom Allah provides us of subsistence

Bread water or tree leaves are we then more honorable than those who preceded us no by Allah I ask you to understand my intention and truthfulness and truly all that is in my heart is what Allah has granted me with it and it [sic] truly am not one who went to read or learn

And Allah willing if I will fall short that you teach me the Jurisprudence and the Sunna and the true Hadith and the Qur'an for they truly will be

Our food Allah willing so my intention is the jihad my honorable brother I truly [UI] now do not believe that already I converse with one of the lions that Allah blessed them lions of Al-Qa'ida that Allah alone knows where they are and what they eat and what they do

So I ask [UI] of you to know that I am indeed truthful not an apostate or intelligence if you are still [UI] because I am until now my heart is still troubled until the appointment time Allah willing

Another question

My father my dad is coming to see me for a period of one week do you object if I asked his permission in my jihad if we say we trusted in Allah

And my mother [UI] in Allah's mercy for she truly will be rejoicing Allah willing knowing that no one knows what is in my soul of jihad not even my father

Peace and Allah's mercy and blessings be on you

A meeting soon Allah willing

If there were there my brother any spelling errors I apologize for them because I did not carefully examine what I wrote due to the speed in movement
